DEVELOPING STORY

Ricin is a poison that can be made from waste left over after processing castor beans. (CDC)

**updated 16 minutes ago**

# Man in critical condition after exposure to ricin

Two tests have confirmed a substance found in a Las Vegas, Nevada, hotel room is the deadly poison ricin, and a man who was staying there has been hospitalized for more than two weeks and is currently in critical condition, police said today. [developing story](#)
